PROGRAM

All About That Bass: Passacaglias and Chaconnes and Dies Iraes, Oh My!

Join violinist Elena Urioste for a journey through three of the most iconic pieces written for solo violin:

Heinrich Ignaz Franz Biber's *Passacaglia*

Johann Sebastian Bach's *Partita No. 2 in D minor*

Eugène Ysaÿe's *Sonata No. 2, "Obsession"*, which draws its inspiration both from Bach and the Dies Irae, a plainchant from the Catholic Mass for the Dead

PLEASE NOTE: *There has been a change to this concert. Tom Poster will not be performing at this concert; Elena Urioste will perform a solo concert on this evening. There will be some special surprises, however, that we think our audience will enjoy.*
