### **Viano Quartet in Coastal Concerts Outreach at The Moorings**

On Friday, February 17, 2023, the residents of The Moorings at Lewes were treated to a private performance from Curtis On Tour's Viano String Quartet in advance of the quartet's featured Coastal Concert scheduled for the next day, Saturday, February 18. About 75 residents packed the hall, responding enthusiastically to the Viano's superb playing of its well curated program, especially the encore selection, Ashokan Farewell.

In appreciation of this special event and to acknowledge the ongoing pleasure that Coastal Concerts' programming brings to the Moorings community year after year, many of the residents took up a collection on their own and made a gift of it to CoCo along with a fervent request for future outreach performances.

The Viano Moorings event was a component of Coastal Concerts' outreach program, which brings world class chamber music to schools, community centers and senior living facilities in the region. This program is made possible through the Special Presenters Initiative of Mid Atlantic Arts with the support of the National Endowment for the Arts (NEA). Coastal Concerts is also supported by a grant from the Delaware Division of the Arts (DDoA) in partnership with the NEA. DDoA promotes Delaware arts events on [www.DelawareScene.com](http://www.DelawareScene.com).
