#### **The Tessa Lark/Michael Thurber Concert scheduled for April 18<sup>th</sup> has been postponed, but is being rescheduled**

In an abundance of caution and with guidance from the CDC and State and local health departments, Coastal Concerts has postponed the Tessa Lark/Michael Thurber Concert for April 18, 2020.

We are sorry for this inconvenience but believe that the safety of our patrons and volunteers as well as our artists should be our top priority during this medical crisis.

We are in the process of rescheduling both this concert and the Andrew Garland concert and those holding tickets to either of these concerts will be able to use those tickets for the rescheduled dates. Our ticketing office will notify all ticket holders as soon as a new date has been established.

We will post periodic updates about the rescheduled date on our website ([www.coastalconcerts.org](http://www.coastalconcerts.org)). In the meantime, if you have any questions please do not hesitate to contact us at 888.212.6458.

Thank you for your understanding and support.
