Andrew Garland Concert Postponed for Saturday, March 14, 2020

In an abundance of caution and with guidance from the CDC and State and local health departments, Coastal Concerts has decided to postpone the Andrew Garland/Warren Jones Concert scheduled for Saturday, March 14, 2020.

We are sorry for this inconvenience but believe that the safety of our patrons and volunteers as well as our artists should be our top priority during this medical crisis.

We will reschedule the concert as soon as it is feasible to do so, and those holding tickets to Saturday's concert will be able to use those tickets for the rescheduled date. Our ticketing office will notify all ticket holders as soon as a new date has been established.

We will post periodic updates about the rescheduled date on our website (www.coastalconcerts.org). In the meantime, if you have any questions please do not hesitate to contact us at 888.212.6458.

Thank you for your understanding and support.
